Washington DC Trip - 2019

To the Students of Parents of Lance Middle School Class of 2019,

I am excited to announce that Lance Middle School students are traveling to Washington, DC, to engage in history and government firsthand. This learning program is a once in a lifetime opportunity for your child to experience the power of travel!

Throughout our experiential journey, students **will**:

- Visit historic landmarks including the Lincoln Memorial, Capitol Hill & Mt. Vernon
- Learn about our heroes and the sacrifices they made while visiting Arlington National Cemetery and all of the Monuments and Memorials around DC
- Gain a deeper understanding of our history and government, the consequences of choices, and how those continue to shape America's future

I have chosen School Tours of America as our travel planner due to their decades of experience, outstanding safety record, and exceptional customer service. Our tour is non-school sponsored. **Kenosha Unified School District does not assume any sponsorship or liability concerning this tour.** I will lead our group, along with other chaperones as needed. In addition, representatives from School Tours of America will be available throughout our entire trip.

Please do not contact the school. You may email Mrs. Fioravanti or contact School Tours of America.

Space is limited! Register online now at SchoolToursOfAmerica.com, or complete the enclosed registration.
