

PARKING LOT DROP-OFF/ PICK-UP PROCEDURES

Bus Riders:

Drop-Off – Students, who ride the yellow school buses, will be dropped off along the south side of 80th Street. Students will walk west/ east along the sidewalk to their grade-level doors. City bus riders will be dropped off just west of the parking lot entrance, and then they will walk to their grade-level doors.

Pick-Up – Yellow buses will pick-up students along 80th Street.

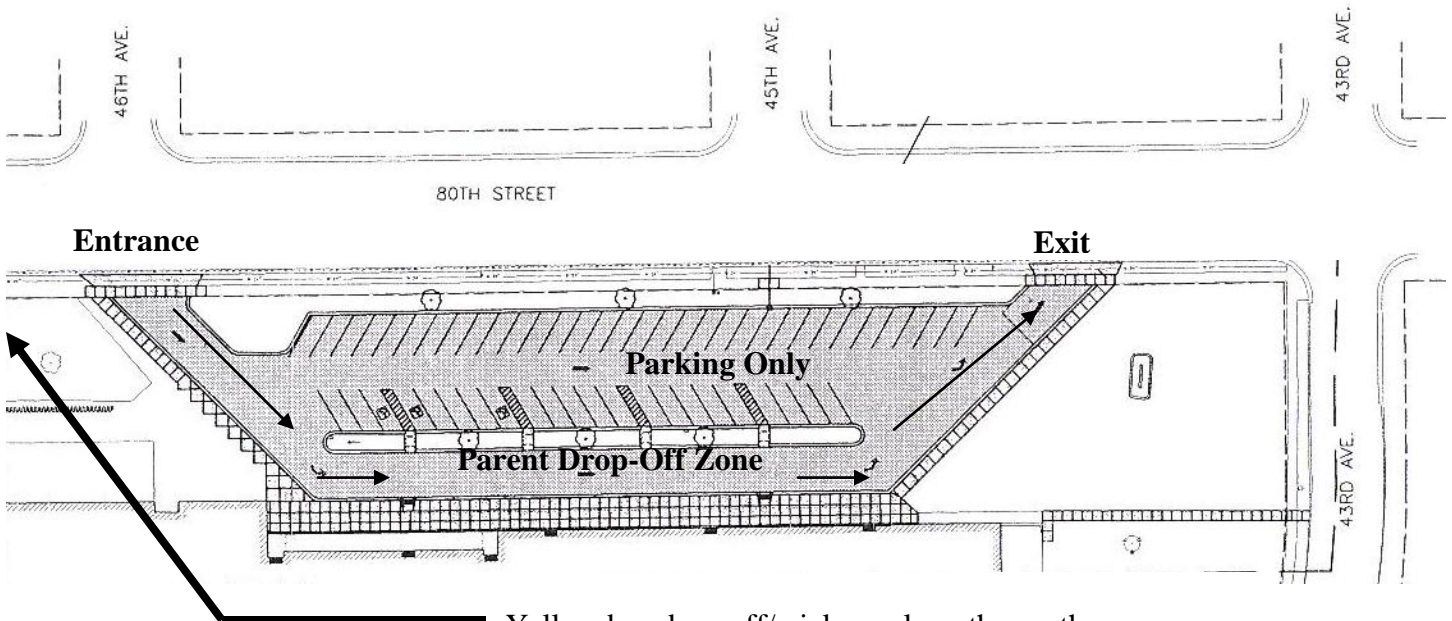

Parent Drop-Off:

Parents should pull in the parking lot and drop-off curbside along the front of the building. **DO NOT** drop-off by the parking lot entrance. All parents must **pull all the way forward** in the student drop-off lane. Pull out to the outer lane to exit the drop-off zone. **DO NOT** drop off students in the outer lane, as this will cause students to cross in front of other cars.

Parent Pick-Up:

There is **NO** parking or stopping on the south side of 80th Street. Schedule a place to pick your child up away from the main parking lot, as this area becomes very congested. If you pick-up or drop-off your child in the main parking lot, you **should pull ALL the way forward** in the pick-up zone. Keep pulling forward as cars leave. **ONLY** park along the building side of the drop-off zone. The left lane is for cars to pull out and exit the parking lot. There are parking spots in the front parking lot of the school to park and wait for your child after school.

Thank you!

Yellow bus drop-off/ pick-up along the south side of 80th Street.

****WARNING****

There is no stopping, standing, or parking along the south side of 80th Street for parents.
