Attention 8th Grade Parents,

Our annual College Challenge is underway, and our first field trip is on November 8th to UW-Madison. We are hoping to gather some donations to bring the overall cost of transportation down for students and their families.

If you or your business is interested in donating, please sign below and return this form with cash or a check to your student’s teacher (Mrs. Valeri, Mrs. Kalowski, or Ms. Peura). Any amount can help. If we get just 60 people to donate $10.00, then we would significantly bring the overall cost of the buses down from $30.00 to $20.00 per student for the Madison trip.

We appreciate your consideration.

Sincerely,

Mrs. Valeri
Mrs. Kalowski
